TECH INSPECTION: Tech inspection is primarily for safety. It is also a time when all competitors can examine another competitor's race vehicle. If you feel there may be a rule infraction you must put it in writing and give it to a VORRA official. Official protest forms are available from the VORRA Officials. VORRA reserves the right to inspect any car at any time for rule book violations.

RULES: The VORRA rule book is available to download from our website. It is essential that all persons participating in any event as a competitor, pit crew, official or course worker, as well as observers and spectators, realize that motor racing is a sport that is considered to be dangerous. Our rules are as stringent as possible to minimize that danger.

SPECTATORS, PIT CREWS, PARTICIPANTS, AND WORKERS ASSUME ALL RESPONSIBILITIES OF RISKS INVOLVED.

VORRA has reduced it's fees for 2015!
We are dedicated to offering affordable racing for our Grass Roots Racers.
