ACKNOWLEDGMENT, RELEASE AND SIGNATURE

I acknowledge that off road racing is a highly addictive sport that has powerful and unpredictable side effects such as adrenaline rushes, getting filthy dirty and bench racing till wee hours of the morning. By becoming a VORRA Volunteer, understand that I run the risk of developing lasting friendships that extend well beyond the race track or access road. I also understand that the activities of VORRA-sanctioned events are very dangerous and involve the risk of serious injury and/or death and/or property damage. I assume full responsibility for any risk while volunteering, observing, or for any purpose participating in VORRA-sanctioned events. Nothing contained in this application or in any pre-volunteering communication is intended to or creates a contract between myself and VORRA for volunteering or the providing of any benefit (except tons of guaranteed fun).

I HAVE READ AND UNDERSTAND THE ABOVE PROVISIONS.
