

## Racing Information

### New Registration Process

Hello VORRA racers I want to let you know how our new registration is going to work this year. We want you to please fill out the Drivers Registration form online and bring it to the first race you race with us. Please include all the Drivers and co-driver you may have this race season, even if they don't end up driving. If you are filling out the form three days or more before the race weekend then you need to e-mail it to [info@vorra.net](mailto:info@vorra.net) as well as print a copy to bring to the races. This will help us expedite your time you spend in line. You may also want to buy a VORRA membership; it is beneficial if you plan on racing more than two races. You can fill out the Membership form online and bring it with you along with your Driver Registration form to the race. If the driver or co-driver is less than 18 years old, they also need to bring the minor release form. This form may also be filled out online. All of the form are located under the Forms link to the left. If you have any questions with the new registration process please feel free to e-mail me at [info@vorra.net](mailto:info@vorra.net)

## Cars & Truck Rules

All vehicles must meet the requirements of the SCORE rule book. To order your SCORE rule book go to [www.score-international.com](http://www.score-international.com) \*Amber lights and brake lights required at the short course races starting September 2007.

## Quad Rules

New mandatory Quad rules;

Number Plates on all Quads

• numbers in four places (front, back, right side and left side)

White background with black numbers

Kill Switch

Nerf Bars

Amber Light <20w LED> All Desert Races and \*Amber lights and brake lights required at the short course races starting September 2007.

\*The above is in addition to the SCORE rule book. You must meet all safety requirements.
